Residency Information:

Duration/Type: 12 mo/PGY-1 residency
Number of Positions: 2
Application Deadline: January 6th
Starting Date: Beginning of July
Estimated Stipend: \$54,000
Interview Required: Yes

Residency Special Features: The residency program emphasizes clinical pharmacy training through structured core/elective rotations (internal medicine, cardiology, critical care, infectious disease, emergency medicine, hematology and oncology, management, pharmacotherapy, psychiatry, etc.). The resident will also perform other clinical pharmacist activities, including participation in the formal consultation service and on-call coverage. Upon completion, the resident will be prepared to function as a clinical pharmacist in a hospital setting, continue advanced training through a PGY-2 residency, or apply for a faculty appointment.

Fringe Benefits: Health, and dental insurance; personal paid time/sick leave; education/travel allowances.

Special Requirements for Acceptance: Pharm.D. or equivalent experience, eligibility for Maryland licensure, curriculum vitae, college transcripts, three letters of recommendation (must not include PRMC preceptor).

Training Site Type: Hospital
Owner: Private
Model/Types: Community
Tax Status: Not-for profit
Professional Staff: 30
Non-professional Staff: 45
Total Beds: 288
Average Census: 200

Site Special Features: PRMC is a community hospital located on the beautiful Delmarva Peninsula. PRMC is one of the nation's top heart institutes, a leader in minimally invasive and robotic surgery, and the only designated trauma center on the Eastern Shore. Clinical pharmacy services are an integral part of the patient care team at PRMC. Opportunities for teaching and precepting students are available through an affiliation with the University of Maryland Eastern Shore School of Pharmacy. www.umes.edu/pharmacy
