

## Preceptor Agreement for Shadowing Individual

### Terms of the Agreement:

Upon agreeing to be a preceptor for a shadowing individual, it is understood that the shadowing individual is to **OBSERVE ONLY**, and **NOT** participate in **DIRECT PATIENT CARE**.

It is the responsibility of the preceptor to provide direction and educational experiences in an observation format only to the shadowing individual.

Dates and times for the shadowing experience are to be agreed upon by the preceptor and shadowing individual.
