

So, are you *really* ready?

An Introduction to ICD-10

Emeric Palmer, MD, FACP, FHM

Wednesday, April 29, 2015

Sessions at

7:30 a.m., Noon and 5:30 p.m.

**Peninsula Regional Medical Center
Hallowell Conference Center**
(Ground Floor of the Layfield Tower)
(Park in Garage B)

Refreshments will be provided

RSVPs are not required

Dr. Palmer's presentation will feature:

- An introduction to ICD-10
- Why proper documentation matters
- Key documentation concepts essential to a baseline understanding of documentation improvement
- Leveraging documentation and drivers of quality
- Key considerations for improving your documentation now through case stories

Learning objectives:

- Comprehend the key distinctions between ICD-9 and ICD-10
- Understand actions needed to implement ICD-10 on time
- Take required steps to assure a smooth transition to ICD-10 and remain coding compliant
- Identify proper ICD-10 code selection on the most frequently submitted services for various specialties

Accreditation Statement for CME:

Peninsula Regional Medical Center is accredited by MedChi, The Maryland State Medical Society to sponsor continuing medical education for physicians.

Designation Statement:

The Medical Education Team of Peninsula Regional Medical Center designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
